

Model Invitation to the Celebration

“I am calling to remind you about the Justice Ministry Celebration on June 8th on zoom at 6:30pm. You can find the link by going to FaithVolusia.org and clicking the button that says “Enter Celebration”.

We will be celebrating our Action Assembly and kicking off our investment drive. Specifically, we will be doing three things: 1.) Recognizing our Justice Ministry Network Members who worked so hard this year 2.) Celebrate our issue victories and 3.) Kick-off our Investment Drive. All of us there will be invited to invest \$200 and I have already done that.

You can find the link by going to FaithVolusia.org and clicking the button that says “Enter Celebration”.

Will you be there?”

Pushback:

“I have my book club that night”

I know your book club is important to you. But I also know you care deeply about justice. The celebration is only one night and a year and it’s really important you are there to celebrate with us. Will you join us?

“Is this about money? I don’t think I can give this year”

As I said, everyone who attends will be asked to prayerfully consider investing in the work of FAITH. I am investing _____ this year because _____. That said, there is no requirement to invest a certain amount. We want you to join us to celebrate regardless of your investment. Will you join us?

“Do I really need to be there? Can I just write a check and you can let me know how it goes?”

I’m excited that you are investing in FAITH! However, as a Network Member you were a part of our victories this year, so you should be there to help us celebrate. Can I count on you to be there?
